

Dear Parents:

Please reserve September 29 at 7:00 p.m. in the FH II and III for a *parent only* conversation about adolescents and their church.

Much has happened in the CCOB world of Student Ministries in the past few months.

-We've lodged student ministries under the umbrella of a newly constituted Family Team. I will serve as the team leader.

-Dave Mahar will have a laser focus now on our growing, energetic high school ministry.

-Andy Jack will continue to develop and zero in on all things middle school, building on what is already a very impactful ministry.

-Billy Hardison comes on board to help us define and envision what a college-age/young adult ministry needs to look like.

The whole team is eager to partner with and learn from parents of adolescents. That's why we want to talk with you. We want to know about your hopes, dreams, and maybe even fears about raising adolescents in today's turbulent culture. By hearing what's on your heart you'll help us make our ministries even more effective. You're the primary influence in the life of your son/daughter. We want to both help you in your God-given parenting role and learn from you.

Please come on the 29th. We'll have you out the door by 8:30 p.m. Promise. The agenda is simple. We're not going to be selling any new concepts or directions in ministry. You'll briefly hear from a few of us. The bulk of the meeting will be spent listening to you and having you interact with each other. You'll get an opportunity to tell us what's on your mind. We want to hear your heart. We want to know how we can do a better job serving you and your family.

Looking forward to being with you.

Blessings,

Mike
