20. What is your understanding of what it means to have a marriage built upon Christian faith and practice?

21. At Christ Church we expect engaged couples to 'connect' with us by attending worship services weekly, becoming involved in some type of small or mid-size group in order to grow spiritually and to be using their time, talent, and monetary resources for the betterment of the Kingdom. Disciples are people who are deeply committed to worship, growth and service. What barriers might keep you from connecting at Christ Church in this way?
