

**CHRIST CHURCH OF OAK BROOK
CHILDREN'S MINISTRY DEPARTMENT**

**PARENTAL AUTHORIZATION RELEASE FORM
4TH & 5TH GRADES**

With the safety of your children in mind, the Children's Ministry Department requests that the parents or adults who have dropped a child off in his/her classroom would also pick up their child from the classroom after Sunday school. (No later than 11:05 am)

However, we recognize that 4th and 5th graders are often mature enough to be released from class to meet parents at an agreed-upon location. As a compliance with our Protection Policy, please discuss meeting plans with your child and sign the following authorization form giving us permission to release your child:

My child _____ in _____ grade may be dismissed by the teachers/shepherds from Sunday school class at the end of the class time to meet me at the following location:

My child knows that he/she must behave in a quiet and respectful manner while in the church building and I take full responsibility for my child's well-being and behavior.

My signature below gives blanket permission for the entire Sunday school term, September 1, 2011 through August 31, 2012, for my child to be dismissed from class on his/her own.
