OVERVIEW

WELCOME
TO YOUR
LIFE

what. WTYL is designed to ready our high school seniors for their life ahead. It combines solid Christian worldview material with practical examples and advice. We will eat, fellowship, and learn a lot!

when. Mondays 7:45-9:15pm, January 30-March 19, 2012:

We specifically picked this time period because it is after 1st semester (and college apps and finals, etc.) and before spring break (and prom and graduation, etc.)

We hope this course really grabs your interest, moving you to take extra steps to read and discuss a book or two as we move toward summer. We will provide a resource list to help make this happen.

why. As Jesus Followers we are called to “Be ready to give a *reason* for the hope that is in you” (1 Peter 3:15). Our hope is to provide an environment where you can wrestle, alongside your friends, with many of the important issues of faith and life that are waiting for you on the other side of high school. In your life ahead you will face many challenges – our hope is to help you *be ready*.

how. We will work through curriculum called *The Reason for God* by Tim Keller. We will also work through some very practical information and ideas each week called *Life 101*.

who. All high school seniors. Interested friends (also seniors). For 2012 we are partnering with Hinsdale Central Young Life. We ask that everyone who registers be committed to consistent attendance since the material will build and we’d like you to be part of it all!

cost. \$15 to cover materials. Please make checks payable to CCOB.

where. At the McClary’s Home, 423 N Madison St, Hinsdale, IL 60521

more. Our hope is that this experience will stretch your heart, soul, and mind as you wrestle with tough questions that require some careful thought. We also hope that you feel safe to question, doubt, and challenge what we talk about, to truly make your faith strong, and your own. You will hear what some great Christian thinkers have to say about some tough issues. You will watch some fascinating, funny, odd, and alarming video segments designed to get us all thinking and talking around these very important topics.

you. ...Will have a guidebook designed for use on your discipleship journey for many years to come. Your guidebook will be the place to keep your journal notes, contact, reference material as well as everything we cover in the *Rewired* and *Life 101* sections.

r.o.g. We will spend our *Reason for God* time together revisiting, discussing and circling around four humongous questions:

- Where did we come from?
- What’s wrong with this world?
- What can be done about it?
- How then should I live?

life 101. This part of our time together will help you prepare for life after high school. A few of our big questions will be:

- Is it okay to be a little fearful of leaving home?
- How do I find a “Youth Group” on Campus?
- What about Greek Life?
- How do I live with my room mate(s)?
- How do I make my college summers count for eternity?
- How do I find a Christian Church while away at College that I am sure is not a cult?
- How do I stay connected to YL / CCOB during my College years?

register. Please complete and return the enclosed registration form to Scott Bilthouse (Hinsdale Central YL) or Laurie Lamm (CCOB) by January 30, 2012. Please make checks payable to CCOB. Thanks:)
